## Quote Details

Item	Description	Qty	Unit Price	Total
Gpu Solution	Professional gpu solution based on customer requirements	7900	\$600.00	\$4,740,000.00
Storage Solution	Professional storage solution based on customer requirements	7900	\$750.00	\$5,925,000.00
Drive Solution	Professional drive solution based on customer requirements	7900	\$600.00	\$4,740,000.00

**Subtotal:** \$15,405,000.00 USD

**Tax:** \$1,232,400.00 USD

---

**Total:** **\$16,637,400.00 USD**

## Terms and Conditions

- Payment terms: 50% upfront payment upon order confirmation, remaining 50% due upon delivery.
- Delivery: Standard delivery timeline applies; estimated delivery within 4-6 weeks from order confirmation.
- Warranties: All products come with a 12-month manufacturer warranty covering defects and hardware failures.
- Support: Includes 3 months of complimentary technical support post-deployment; extended support available at additional cost.
- Cancellation policy: Orders can be canceled within 7 days of confirmation with no penalty; thereafter, cancellation fees may apply.

## **Implementation Notes**

- Deployment will be scheduled post-delivery with coordination from the customer IT team.
- Setup includes hardware installation, configuration, and initial testing to ensure operational readiness.
- Training sessions will be provided to customer staff covering product usage and maintenance.
- Integration support will be offered to ensure compatibility with existing systems and workflows.
- Documentation and user manuals will be supplied to assist with ongoing operations and troubleshooting.

## **Next Steps**

- Confirm product specifications and quantities with the sales representative.
- Sign and return the purchase agreement to initiate order processing.
- Schedule delivery and deployment dates in coordination with the project manager.
- Prepare internal IT infrastructure for integration and setup activities.
- Arrange for staff availability to attend training sessions post-deployment.
