Drive Solution	Professional drive solution based on customer requirements	7900	\$600.00	\$4,740,000.00

**Subtotal:** \$15,405,000.00 USD

**Tax:** \$1,232,400.00 USD

**Total:** **\$16,637,400.00 USD**

## Terms and Conditions

- Payment terms: 50% upfront deposit, remaining 50% upon delivery and acceptance.
- Delivery: Standard delivery timeline applies; customer will be notified of estimated delivery dates.
- Warranties: All products come with a 12-month manufacturer warranty covering defects and malfunctions.
- Support: Technical support available during business hours; extended support packages available upon request.
- Liability: Liability limited to product replacement or repair; no indirect or consequential damages.
- Cancellation: Orders can be canceled within 48 hours of confirmation without penalty.

## **Implementation Notes**

- Deployment will be coordinated with customer to minimize business disruption.
- Setup includes configuration of GPU, storage, and drive solutions as per customer requirements.
- Training sessions will be provided to customer staff on system operation and maintenance.
- Integration with existing IT infrastructure will be assessed and executed to ensure compatibility.
- Post-deployment review will be conducted to ensure solution meets performance expectations.

## **Next Steps**

- Confirm final product specifications and quantities with sales representative.
- Sign and return the quote acceptance form to initiate order processing.
- Schedule deployment date in coordination with customer IT team.
- Arrange training sessions for relevant staff prior to system go-live.
- Prepare existing infrastructure for integration and notify relevant stakeholders.
