Terms and Conditions

- Payment Terms: Net 30 days from invoice date.
- Delivery: Estimated delivery within 2-4 weeks after order confirmation.
- Warranty: Full manufacturer warranty applies to all hardware components.
- Support: Includes 1 year of technical support covering installation and operational issues.
- Returns: Products may be returned within 30 days of delivery if unopened and in original condition.
- Liability: Liability limited to product replacement or repair; no indirect or consequential damages.

Implementation Notes

- Deployment includes setup of NAS server with RAID 6 configuration for data redundancy.
- Storage capacity will be configured to 16TB to meet video backup requirements.
- Network setup will support 2.5 Gbps transfer speed and simultaneous access for 5 users.
- Weekly backup schedule will be configured as per customer requirements.
- Training will be provided for ease of management and operation of the NAS system.

Next Steps

- Please provide your contact details (name, email) to proceed with the formal quote.
- Confirm the number of users or devices that will access the NAS server.
- Specify if you require ongoing support or maintenance services beyond the included 1 year.
- Review and approve the proposed terms and conditions to initiate order processing.
- Schedule a kickoff meeting to finalize deployment timeline and project milestones.
