Terms and Conditions

- Payment Terms: Net 30 days from invoice date.
- Delivery: Estimated delivery within 2-4 weeks after order confirmation, subject to product availability.
- Warranty: Full manufacturer warranty included for all hardware components as per manufacturer terms.
- Support: One year of technical support included, covering installation assistance and troubleshooting.
- Returns and Exchanges: Products may be returned or exchanged within 30 days of delivery if defective or not as described, subject to prior approval.
- Confidentiality: All customer information and pricing details will be treated as confidential.

Implementation Notes

- Deployment will include setup of NAS server hardware with RAID 6 configuration and installation of 16TB storage drives.
- Network configuration to enable 2.5 GbE transfer rates and integration with existing IT infrastructure.
- Configuration of remote access and cloud integration features for secure video backup management.
- User training sessions will be provided to ensure effective management and operation of the NAS system.
- Post-deployment testing and validation to confirm performance, security, and data protection capabilities.

Next Steps

- Review the detailed quote and confirm product selections and quantities.
- Provide preferred delivery location and any specific procurement timelines.
- Schedule a technical consultation or product demo if needed to clarify any solution aspects.
- Finalize purchase order and confirm delivery schedule.
- Plan for deployment and training sessions with our technical team.
