Terms and Conditions

- Payment is due within 30 days of invoice receipt unless otherwise agreed in writing.
- Delivery of the Timetec 30TTQNS3SATA-2TB SSD will be made within the agreed timeframe upon order confirmation and subject to product availability.
- The product comes with a standard manufacturer warranty covering defects in materials and workmanship for a period of 3 years from the date of purchase.
- Technical support and maintenance services are available as per the service level agreement and include remote assistance and troubleshooting during business hours.
- Any returns or exchanges must be authorized within 14 days of delivery and the product must be in original condition and packaging.
- Confidentiality of customer data and compliance with applicable data protection regulations will be maintained throughout the engagement.

Implementation Notes

- Deployment will include installation of the Timetec 30TTQNS3SATA-2TB SSD into the NAS server configured with RAID 6 for data redundancy.
- Setup will ensure the NAS server supports 2.5 Gb transfer speeds and is optimized for MP4 video file backup and retrieval.
- Weekly backup schedules will be configured with a 1-month retention period as per customer requirements.
- Role-based access control will be implemented to secure backup data and ensure compliance with security policies.
- Training will be provided to the designated IT personnel on managing backups, monitoring system health, and performing restores.

Next Steps

- Please provide your contact name and email to finalize the quote documentation.
- Confirm your budget range for the NAS server project to align the solution scope accordingly.
- Specify your expected timeline for implementation to schedule deployment and training sessions.
- Review and approve the proposed terms and conditions to proceed with order processing.
- Schedule a kickoff meeting with our technical team to discuss detailed deployment and integration plans.
