Quote Details

Item	Description	Qty	Unit Price	Total
High-Performance Workstation	Workstation with Intel i9 or Ryzen 9 processor, 32GB RAM, 1TB SSD, RTX 4080 GPU, quiet and efficient cooling for heavy workloads	10	\$2,800.00	\$28,000.00
Dual 27-inch 4K Monitors	Two 27-inch 4K monitors per workstation from Dell or LG	20	\$450.00	\$9,000.00
Extended Warranty and Support	Extended warranty and support options to minimize downtime	10	\$300.00	\$3,000.00

Subtotal: \$40,000.00 USD

Tax: \$4,000.00 USD

Total: **\$44,000.00 USD**

Terms and Conditions

- Payment terms: 50% deposit upon order confirmation, remaining 50% due upon delivery.
- Delivery timeline: All workstations and monitors will be delivered within 3-4 weeks from order confirmation.

- **Warranty:** Extended warranty covers hardware defects and failures for a period of 3 years from the date of delivery.
- **Support:** 24/7 technical support available during warranty period to minimize downtime, including remote troubleshooting and on-site service if required.
- **Cancellation policy:** Orders can be canceled within 7 days of confirmation with a full refund of the deposit; cancellations after this period may incur charges.
- **Liability:** The supplier is not liable for any indirect or consequential damages arising from the use of the products.

Implementation Notes

- Deployment will be coordinated to ensure delivery and setup within the 3-4 week timeline.
- Workstations will be pre-configured with required software including Adobe Creative Suite, Unreal Engine, and Visual Studio prior to delivery.
- On-site setup and integration with existing network infrastructure will be provided to ensure seamless operation.
- Training sessions will be offered to the software design team to familiarize them with the new hardware and software environment.
- Post-deployment support will be available to address any issues during the initial usage period.

Next Steps

- Confirm final specifications and quantities for the workstations and monitors.
- Approve the quote and sign the purchase agreement to initiate the order process.
- Schedule delivery and deployment dates within the 3-4 week timeline.
- Prepare the workspace for installation, including network readiness and power supply checks.
- Arrange for team members to attend training sessions post-deployment.
