Terms and Conditions

- Payment terms: 50% deposit upon order confirmation, remaining 50% due upon delivery.
- Delivery timeline: Standard delivery within 3-4 weeks from order confirmation.
- Warranty: All hardware products come with a 1-year manufacturer warranty covering defects and malfunctions.
- Support: Includes 3 months of complimentary technical support post-deployment, with options for extended support packages.
- Returns and exchanges: Products can be returned or exchanged within 14 days of delivery if found defective or not meeting specifications, subject to inspection.

Implementation Notes

- Deployment includes onsite setup of laptops, docking stations, monitors, and peripherals at designated workstations.
- Initial configuration will ensure compatibility with Adobe Creative Suite and DaVinci Resolve as per department requirements.
- Training sessions will be provided for end-users focusing on hardware usage and software integration.
- Integration with existing IT infrastructure will be assessed and executed to ensure seamless operation.
- Post-deployment review will be conducted to address any issues and optimize system performance.

Next Steps

- Confirm product specifications and quantities with the sales representative.
- Provide delivery location details and preferred delivery dates.
- Schedule onsite deployment and training sessions with the IT department.
- Review and sign the quote terms and conditions document.
- Arrange initial payment deposit to initiate order processing.
