Total: **\$14,980.00 USD**

Terms and Conditions

- Payment terms: 50% deposit upon order confirmation, remaining 50% due upon delivery.
- Delivery timeline: Products will be delivered within 3 weeks from order confirmation to meet the purchase timeline.
- Warranty: 3-year onsite warranty with quick response as specified, including options for extended support.
- Support: Technical support available during business hours with escalation procedures for urgent issues.
- Compliance: All products comply with Windows 11 Enterprise compatibility and company security policies including encryption and remote management.

- Software: Microsoft Office included with minimal pre-installed software to reduce bloatware.

Implementation Notes

- Deployment will include pre-configuration of laptops with Windows 11 Enterprise and company security settings.
- Setup includes installation of Adobe Creative Suite, Blender, Premiere Pro, and Microsoft Office.
- Training sessions will be provided for team members to optimize use of hardware and software tools.
- Integration with existing company remote management and encryption systems will be ensured.
- Scalability planning to accommodate 20% team growth with additional units pre-configured for quick deployment.

Next Steps

- Confirm final specifications and quantities for the order to accommodate current and future team size.
- Approve the quote and payment terms to initiate procurement process.
- Schedule delivery and deployment dates within the next month to meet project timeline.
- Arrange training sessions for team members post-deployment to ensure smooth transition.
- Establish communication channels for ongoing support and escalation during warranty period.
