Terms and Conditions

- Payment terms: 50% deposit upon order confirmation, remaining 50% due upon delivery.
- Delivery timeline: Products will be shipped within 10 business days after receipt of deposit, with tracking provided.
- Warranty: One-year limited warranty covering hardware defects and manufacturer faults; excludes accidental damage.
- Support: Includes 3 months of complimentary technical support post-delivery, with options for extended support packages.
- Returns and cancellations: Returns accepted within 14 days of delivery if products are unopened and in original condition; cancellations subject to a 10% fee if after order confirmation.

Implementation Notes

- Deployment includes pre-configuration of PCs with required VR development software and drivers for RTX 4060.
- Setup assistance provided remotely to ensure optimal hardware and software integration for VR demos.
- Training session offered via video conference covering hardware operation, VR headset usage, and demo setup best practices.
- Integration support available for Unity and Unreal Engine environments to achieve smooth 90+ FPS performance.
- Compact design ensures easy transport and setup at trade show demo booths, minimizing downtime.

Next Steps

- Confirm product quantities and specifications within 3 business days to meet timeline.
- Submit 50% deposit to initiate order processing.
- Schedule remote setup and training session within 1 week of delivery.
- Prepare demo booth space to accommodate compact PCs, monitors, and VR headsets.
- Review and approve final quote and terms to proceed with purchase.
