Item	Description	Qty	Unit Price	Total
Technology Solution Package	Professional technology solution based on conversation	1	\$1,000.00	\$1,000.00

Subtotal:

\$1,000.00 USD

Tax:

\$80.00 USD

Total:

\$1,080.00 USD

Terms and Conditions

- Payment Terms: Net 30 days from invoice date.
- Delivery: Estimated delivery within 2-4 weeks after order confirmation.
- Warranty: Full manufacturer warranty included for all hardware components.
- Support: One year of technical support included, covering setup and troubleshooting.
- Returns and Exchanges: Products may be returned or exchanged within 30 days of delivery if defective or not as described.
- Liability: The supplier is not liable for data loss; customers are responsible for backup and data integrity.

Implementation Notes

- Deployment includes setup of NAS server with RAID 6 configuration to ensure data redundancy and reliability.
- Storage capacity will be configured to provide 16TB usable space optimized for video backup storage.
- Network setup will support 2.5 Gbps transfer speeds to accommodate multiple simultaneous users (up to 5 users).

- Weekly automated video backup schedules will be configured to meet business continuity requirements.
- Basic user training will be provided to ensure smooth operation and access management for all users.

Next Steps

- Please provide your contact details (name, email) to finalize the quote and proceed with order processing.
- Confirm company size and any specific support or warranty preferences to tailor the solution accordingly.
- Review and approve the proposed terms and conditions to initiate procurement and deployment.
- Schedule a kickoff meeting to plan deployment timeline and user training sessions within the 1-month timeline.
- Decide if you require assistance with installation and ongoing technical support beyond the included 1 year.
