Terms and Conditions

- **Payment Terms:** Net 30 days from the date of invoice.
- **Delivery:** Estimated delivery within 2-4 weeks after order confirmation, subject to product availability.
- **Warranty:** Full manufacturer warranty included for all hardware components as per the manufacturer's policy.
- **Support:** One year of technical support included, covering installation assistance and troubleshooting.
- **Returns and Exchanges:** Products may be returned or exchanged within 30 days of delivery if found defective or not as described.
- **Confidentiality:** All customer information and data will be handled with strict confidentiality and in compliance with data protection regulations.

Implementation Notes

- Deployment will be scheduled promptly upon order confirmation to meet the 1-month timeline requirement.

- Setup includes configuration of the NAS server with RAID 6 for fault tolerance and integration with Synology DiskStation DS1821+ and DX517 expansion unit.
- Training will be provided for your IT staff on Synology DSM for advanced backup and file management capabilities.
- Network connectivity will be optimized for Gigabit Ethernet or 10GbE to ensure fast data transfer speeds for video backup.
- Scalability options will be configured to allow easy future expansion of storage capacity.

Next Steps

- Please provide your contact details (name, email) to proceed with the formal quote and order processing.
- Confirm any preferences for hard drive brands or specific features to tailor the solution to your needs.
- Review and approve the proposed terms and conditions to initiate procurement.
- Schedule a kickoff meeting for deployment planning and timeline confirmation.
- Decide if you require additional configuration and deployment support services.
