

# Seagate IronWolf Pro NAS Solution for Enterprise Video Backup and Data Redundancy

Delivering robust, high-speed NAS storage solutions tailored for efficient video backup and enterprise data protection

Quote Number:

Q-63cc712a

Date:

2025-06-12

Valid Until:

2025-07-12

## Customer Information

## Quote Details

| Item                     | Description                        | Qty | Unit Price | Total    |
|--------------------------|------------------------------------|-----|------------|----------|
| Seagate IronWolf Pro NAS | Seagate IronWolf Pro NAS (storage) | 1   | \$439.99   | \$439.99 |

Subtotal:

\$439.99 USD

Tax:

\$35.20 USD

Total:

\$475.19 USD

## Terms and Conditions

- Payment Terms: Net 30 days from invoice date.
- Delivery: Estimated delivery within 2-4 weeks after order confirmation.
- Warranty: Full manufacturer warranty included with all Seagate IronWolf Pro NAS drives.
- Support: One year of technical support included, covering setup and troubleshooting.
- Data Security: Customer is responsible for data backup prior to installation; we recommend RAID 6 configuration for redundancy.
- Liability: Supplier is not liable for data loss or downtime beyond hardware warranty coverage.

## Implementation Notes

- Deployment includes NAS server setup with RAID 6 configuration to ensure data redundancy and fault tolerance.
- Setup will configure 16TB storage capacity using Seagate IronWolf Pro NAS drives as specified.

- Network infrastructure will be configured to support 2.5 Gb transfer speeds for efficient video backup throughput.
- Training will be provided for IT staff on NAS management, RAID configuration, and backup procedures.
- Integration support available for existing backup software and video storage workflows.

## **Next Steps**

- Provide your contact details (name, email) to finalize the quote and order processing.
- Confirm company size and industry information for record-keeping and tailored support.
- Specify any preferences for network infrastructure or NAS drive brands if applicable.
- Decide if you require installation and ongoing support services beyond the included technical support.
- Approve the quote to initiate procurement and schedule delivery within the one-month implementation timeline.
