Terms and Conditions

- Payment Terms: Net 30 days from invoice date.
- Delivery: Estimated delivery within 2-4 weeks after order confirmation, subject to product availability.
- Warranty: Full manufacturer warranty included for all hardware components as per manufacturer terms.

- Support: One year of technical support included, covering installation assistance and troubleshooting.
- Order Cancellation: Orders may be cancelled within 48 hours of confirmation without penalty; thereafter, cancellation fees may apply.
- Liability: The supplier is not liable for any indirect or consequential damages arising from the use of the products.

Implementation Notes

- Deployment will be coordinated with your IT team to ensure minimal disruption to operations.
- Initial setup includes RAID 6 configuration and integration with existing network infrastructure.
- Comprehensive training will be provided for your staff on system management and maintenance.
- Data migration support can be arranged if required to transfer existing backups to the new NAS solution.
- Post-deployment review will be conducted to ensure system performance meets your requirements.

Next Steps

- Review the detailed quote and confirm product selections and quantities.
- Provide preferred delivery location and any specific procurement timelines.
- Schedule a technical consultation or product demo if needed.
- Confirm support and maintenance service preferences.
- Finalize purchase order and agree on implementation schedule.
