Terms and Conditions

- Payment Terms: Net 30 days from invoice date.
- Delivery: Estimated delivery within 2-4 weeks after order confirmation.
- Warranty: Full manufacturer warranty applies to all hardware components.
- Support: Includes 1 year of technical support covering setup, troubleshooting, and maintenance.
- Data Security: Customer is responsible for regular backups and data security beyond provided RAID redundancy.
- Cancellation Policy: Orders may be canceled within 48 hours of confirmation without penalty.

Implementation Notes

- Deployment includes installation of NAS server hardware and configuration of RAID 6 with 8 x 2TB Western Digital Red drives.
- Setup of 2.5 gigabit Ethernet connectivity to ensure high-speed data transfer for video backup.
- Integration with existing IT infrastructure and network environment at Otsuka Corporation.
- Training session for IT department on system management, monitoring, and maintenance.
- Verification of data redundancy and performance testing post-deployment to ensure reliability.

Next Steps

- Confirm final product selection and quantities with our sales representative.
- Provide network and infrastructure details for compatibility assessment.
- Schedule delivery and installation date within the 1-month timeline.
- Arrange for IT department availability for training and system handover.
- Review and sign the purchase agreement to initiate order processing.
