Subtotal: \$9,500.00 USD

Tax: \$665.00 USD

Total: **\$10,165.00 USD**

Terms and Conditions

- Payment due within 30 days of invoice receipt.
- Delivery of the QNAP TS-h1277XU-RP NAS Server will occur within 5 business days after order confirmation.
- The NAS server comes with a standard 3-year manufacturer warranty covering hardware defects.
- Technical support is available during business hours for 12 months post-deployment.
- Any additional services or customizations beyond the quoted scope will require a separate agreement and may incur extra charges.

Implementation Notes

- Deployment will be completed within 1 week from order confirmation to meet the urgent timeline.
- Setup includes configuring the NAS server with RAID 6 to support 1PB backup storage as specified.

- Basic training will be provided to the customer's IT staff on managing and monitoring the NAS server.
- Integration with existing backup software and IT infrastructure will be verified to ensure seamless operation.
- Post-deployment support includes a 1-month monitoring period to address any initial issues.

Next Steps

- Confirm order and approve the quote to initiate procurement and deployment.
- Provide access to the deployment site and necessary IT infrastructure details.
- Schedule a kickoff meeting with the deployment team within 2 days of order confirmation.
- Prepare IT staff for training sessions scheduled during deployment week.
- Review and sign off on deployment completion and initial testing results.
