Terms and Conditions

- Payment Terms: Net 30 days from invoice date.
- Delivery: Estimated delivery within 2-4 weeks after order confirmation.
- Warranty: Full manufacturer warranty included for all hardware components.
- Support: One year of technical support included, covering hardware and software issues.
- Returns and Exchanges: Products may be returned or exchanged within 30 days of delivery if defective or not as described.
- Confidentiality: All customer information and data will be handled with strict confidentiality.

Implementation Notes

- Deployment: Our technical team will assist with the physical installation of the NAS server and hard drives at your site.
- Setup: Configuration of RAID 6 for data redundancy and optimization of NAS settings for video backup performance.
- Training: Provide user training on NAS management interface and backup software usage to your IT staff.
- Integration: Assist with integration of the NAS solution into your existing network and backup workflows.
- Testing: Conduct initial backup and restore tests to ensure system reliability and performance.

Next Steps

- Confirm your budget range and finalize the product selection.
- Provide purchase order or official approval to proceed with the order.
- Share delivery address and contact details for shipping and installation coordination.
- Schedule a kickoff meeting for deployment planning and timeline confirmation.
- Prepare your IT team for training and integration activities.
